Asset Forfeiture & Financial Crimes Training

JJC, Weitendorf Agricultural Center
17840 W. Laraway Rd, Joliet, IL 60433

Wednesday, September 04, 2019

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):
Law Updates | Civil Rights | Constitutional and Proper Use of Law LE Authority

Course Description: Sweeping changes were made to all of Illinois Asset Forfeiture statutes which will take effect July 1, 2019. Notice requirements, filing deadlines, proof of service, seizure thresholds, awarding of property, and burdens of proof have all changed, and a new reporting requirement has been added. These changes impact how officers need to investigate cases in the field and how prosecutors litigate cases in the courtroom. Law enforcement officers and prosecutors will need to change the way these cases are handled if Asset Forfeiture will be a component in any cases your agency investigates or prosecutes after July 1, 2019.

In part one of the course, we will review the changes in the new law as compared to the old law and we will discuss how to best implement the new statutory requirements and develop best practices to deal with the changes. In part two of the course, we will discuss techniques for developing the financial component of your investigations to uncover more assets to apply the new law to and also develop methods to make Asset Forfeiture and Money Laundering cases more winnable.

We will explore various facets of financial and money laundering investigations, including money laundering, asset forfeiture, and uncovering financial leads. We will learn how to uncover, locate, document and seize drug proceeds, and add money laundering and conspiracy charges to a drug investigation. We will discuss various financial crimes investigative techniques including FINCEN (Financial Crimes Enforcement Network) information, credit reports, bank and credit card records, merchant 8300's, car dealer records, real estate and tax records, bankruptcy filings, and benefits applications.

Asset Forfeiture is a valuable tool to law enforcement in the following areas: improving public safety by forfeiting the DUI and suspended driver's car, taking away expensive vehicles and other assets from drug dealers, seizing bank accounts of criminals who commit check/credit card fraud and other financial crimes, forfeiting real property paid for with proceeds of mortgage fraud or any other crime where money is derived, and taking profits away from fencing groups.

This course will provide law enforcement officers and prosecutors an understanding of forfeiture law in Illinois and how to successfully incorporate the forfeiture component into criminal investigations and prosecutions. After reviewing the legislative changes to applicable forfeiture statutes that take place July 1, 2018, the course will cover practical implementation of those statutes through real world examples. Additionally, investigative techniques will be developed to make the forfeiture cases more winnable in court under the new statutory scheme.

Continued on next page:

This course will be useful for patrol officers; officers in specialized units such as narcotics, gangs or financial crimes; command staff; and agency policymakers. For those individuals who have already attended a forfeiture training, this course will broaden your ability to implement forfeiture law into your investigations and capture previously untouched assets of criminal enterprises.

Instructor: Dant Foulk has been an Assistant State's Attorney in Will County Illinois for the past fifteen years. In his present assignment, he manages the Asset Forfeiture Unit, coordinates and vertically prosecutes cases in the Financial Crimes Unit and works as a lobbyist in Springfield, IL. Prior to his current assignment, Dant was assigned to the Felony Trial Division where he handled general felony trials including homicides, sex crimes, crimes against persons, financial crimes, and narcotics crimes.

As manager of the Asset Forfeiture Unit, Dant handles civil asset forfeiture proceedings and prosecutes criminal money laundering cases. In this capacity, he focuses on identifying, locating, seizing and forfeiting narcotics proceeds, proceeds of money laundering activities, and proceeds of other financial crimes. Dant's work in the Financial Crimes Unit includes coordinating the long term investigation of complex financial crimes and the financial component of narcotics crimes, reviewing and analyzing financial records, conducting Grand Jury investigations and prosecuting these cases. Typical criminal enterprises investigated include credit card fraud and check fraud rings, identity theft conspiracies, insurance and benefits fraud, narcotics organizations, street-gangs, and money laundering activities of any criminal enterprise. In his capacity as a lobbyist, Dant drafts legislation, analyzes and tracks pending bills, coordinates with other county, local and state agencies, negotiates bills, and persuades members of the legislature to advance the interests of law enforcement.

Dant is a native of St. Louis, Missouri. He graduated from St. Louis University in 1997 with a bachelor's degree in Biology with a concentration in molecular genetics and a minor in the French language. He received his Juris Doctor *cum laude* from the John Marshall Law School in 2001.

Dant is licensed to practice in Illinois and in the United States Patent and Trademark Office as a Patent Lawyer. Prior to joining the Will County State's Attorney's Office, Dant was an associate in the Chicago office of Barnes & Thornburg. His practice focused on patent and trademark prosecution, intellectual property litigation, and non-infringement opinions in the fields of mechanical, electro-mechanical, and business method patents.

Dant is a member of the American Bar Association, the Illinois State Bar Association, The Will County Bar Association, and the Intellectual Property Law Association of Chicago. Dant also is a task force member of the High Intensity Money Laundering and Related Financial Crime Area (HIFCA) Task Force and serves on the board of the Illinois Drug Enforcement Officers Association as General Counsel (IDEOA).

Dant has taught Criminal Law as an adjunct professor and routinely lectures in the areas of criminal law, use of force, search and seizure, money laundering, and asset forfeiture. He has also lectured for the DEA, El Paso Intelligence Center (EPIC), the Department of Homeland Security, The State of Indiana, The Chicago Police Department, the Miami Dade Police Department Training Unit, the Illinois Gaming Board, the IDEOA, CCROC, the NICB, and the Illinois Law Enforcement Training and Standards Board MTU system. Dant is the principal trainer for the Illinois State Police in the area of Asset Forfeiture and Money Laundering.

Additionally, student officers will be trained on choosing various firearms, ammunition, and firearms accessories for the law enforcement mission. Communications skills coupled with teaching and learning skills will be integrated into every component of this course of instruction. This course is open to any officer who is currently assigned as or under consideration for assignment as a police firearms instructor.

At the completion of this training, the student officer will be able to identify the law enforcement mission critical goals and objectives of a police firearms instructor, demonstrate the instructional issues, and produce documentation detailing the training efforts. Student officers will be required to pass a written exam, correctly demonstrate designated training exercises, and pass a live fire qualification course with their duty handgun.

Training methodology will be:

- Explanation – By Instructor
- Demonstration – By Instructor
- Corrected Practice / Hands On By Student Officer Under Supervision of Instructor(s)
- Demonstration – By Student Officer
