Field Training Officer and Evaluation Program

Cancelled (TACCSF) (San Jose Model)

Bolingbrook Police Department
375 Briarcliff Rd., Bolingbrook, IL 60440
Monday thru Friday, March 2 – 6, 2020
8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s): Civil Rights | Law Updates | Use of Force
Cultural Competency | Procedural Justice | Human Rights | Constitutional and Proper Use of L.E. Authority

Course Description: This five-day, 40-hour training program is intended to be a practical, informational and hands on program. The purpose of the course is to give law enforcement personnel the knowledge and skills they need to train other law enforcement personnel on a one-to-one basis. A diverse use of instructional methods will be employed to provide a student-centered learning environment. Upon successful completion of this program will have basic knowledge in a variety of topics including adult learning, coaching, and the design of a typical FTO program.

Course topics include:

- The police image
- The Field Trainer's role and responsibility
- Principles of adult learning and coaching
- Methods of providing effective feedback
- Overriding the probationary officer's decisions
- Sexual harassment/hostile working environment
- The evaluation process
- Job status review and recommendation
- Probationary officer training manuals

NOTE: Participants must bring a laptop computer or tablet capable of connecting to the Internet. The participant's e-device must have a PDF reader (Adobe Reader Recommended). All course materials are provided through Google Drive. If you have any I/T questions please contact the instructor at (847) 644-6437

Instructor: Thomas Dworak is a retired Sergeant (31 years) from a suburban Chicago police department where he was the Field Training and Evaluation Program Coordinator and the Lead Defensive Tactics/Use of Force Instructor. Thom facilitates training throughout the country in Field Training, Instructor Development, Leadership, Use of Force, Defensive Tactics and is a core instructor for Below 100. He holds the position of adjunct faculty at the Suburban Law Enforcement Academy at the College of Du Page providing instruction to recruits in defensive tactics and scenario-based training. Thom is a court recognized expert in police practices and use of force. He is a member of the International Law Enforcement Educators and Trainers Association (ILEETA), an annual ILEETA conference presenter and the Instructor Development Section Editor for the ILEETA Journal.

Non-Member Tuition: \$400.00 [BACK](#)

Crash Investigation 1

Frankfort Police Department

20602 Lincoln-Way Lane, Frankfort, IL 60423

Monday- Friday, March 2 – 13, 2020

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

Civil Rights | Law Updates | Constitutional & Proper Use of LE Authority | Lead Homicide Investigator

Course Description: In most jurisdictions, traffic crashes account for more lives lost, more injuries and more property damage than all criminal activity combined. To effectively implement crash prevention programs and improve quality of life, law enforcement agencies need to know the who, what, where, when and why of crash occurrence.

The moments immediately following a traffic crash are crucial, and only a well-trained crash investigator knows how to identify and collect the necessary information at the crash scene and to begin the interpretation of that evidence.

Crash investigators must work quickly and confidently to preserve significant physical results before the crash scene is altered or evidence disappears. They must anticipate what information will be needed for enforcing traffic laws, planning crash prevention programs and possible case litigation. In addition, they must properly document the at-scene information and evidence because once the scene is cleared, the evidence might be impossible to recover.

Crash Investigation 1, based on J. Stannard Baker's world-renowned text, *Traffic Crash Investigation*, is an in-depth study of the skills needed to systematically investigate a traffic crash. Techniques for recognizing and properly recording roadway and vehicle crash evidence are thoroughly presented. Students learn to take measurements and photographs of the crash scene and to create sketches and after-crash diagrams. Crash Investigation 1 also addresses how the collected data are used to reconstruct crashes. Finally, the use of electronic devices to collect and record at-scene data is also introduced.

Course Topics:

- Preparation for traffic crash investigation
- Information from and about people
- Information from vehicles
- Information from roads
- Measuring and mapping the crash scene
- Photographing the crash scene and damaged vehicles
- For this updated program, students will develop a new case study. Photographs and exhibits have been updated, and classroom instruction now includes how the latest generation of vehicle electronics - including data recorders, traction and stability controls, multiple airbags, etc. - affect both the crash and the crash investigation

Continued on next page:

Course Materials: All students need to bring a laptop computer or other device with a USB port to the class. Student reference materials will be distributed in USB flash drives (files will accept electronic comments and highlighting and can be saved).

In all cases, please bring the following additional items to class:

- Comfortable outdoor clothing (likely to get dirty) for Week 2 outdoor projects
- Simple calculator with square root key
- Mechanical Pencils
- Staedtler Geometry Compass
- Laptop computer (or other device) with USB port(s) and Adobe Reader installed.
- Students may use calculators and electronic communication devices in class; however, possession/use of electronic communication devices during closed-book quizzes and exams is prohibited.

Course Outcomes: Officers/investigators who successfully complete Crash Investigation 1 significantly improve their ability to handle all aspects of the majority of traffic crash investigations occurring within their jurisdictions.

Participants who successfully complete Crash Investigation 1 or its equivalent are eligible to enroll in Tri-River's and NUCPS's next crash investigation course, Crash Investigation 2.

Instructor (s): Course instructor(s) are provided by *NUCPS*.

Member Tuition: None*

Non-Member Tuition: None*

*Initial registration will be limited to Tri-River member agencies; a waiting list will be established for non-members. A limited number of seats are available, all agencies may be limited as to the number of attendees allowed to initially register and attend.

This class is funded by the Illinois Department of Transportation through the Police Traffic Services Training Project and administered by the Illinois Law Enforcement Training & Standards Board.

Tri-River Police Training Region - MTU 16

Elderly Service Officer

Orland Park Police Department

15100 S. Ravinia Ave., Orland Park IL 60462

Wednesday March 4 – Friday, March 6, 2020

8:00 am till 5:00 pm

This course complies with the guidelines of the following mandate(s): PENDING

REGISTRATION will only be handled by completing the registration form below

Course Description: Illinois is a national leader in developing this course to address the needs of seniors. This course addresses the unique needs of our rapidly growing senior population. The training program is designed to sensitize and educate law enforcement personnel on senior issues so they can play a more active role in preventing and investigating crimes against older adults.

The course will cover the following topics:

- Issues in the Aging Process
- Elder Abuse and Neglect
- Overcoming Communication Barriers
- Scams and Fraud Against Seniors
- Nursing Home Issues
- Implementing Programs in Your Community

Instructors will be from the Illinois Attorney General's Office, Secretary of State Police, and various Law Enforcement Agencies specializing in Elder Abuse/Financial Exploitation of the Elderly, and Victim Rights Advocates.

Since space is limited, you are strongly encouraged to register early, although early registration does not guarantee a space at the training. A confirmation notice will be sent to you indicating your participation in the training. To maximize the number of agencies represented, the Office of the Illinois Attorney General may limit the number of attendees that each agency may send.

Please call Eileen Baumstark-Pratt at 1-866-376-7215 (voice) or 1-800-964-3013 (TTY) with questions or reasonable accommodation requests. If you must cancel your attendance, please notify the office by calling 1-866-376-7215 (voice) or 1-800-964-3013 (TTY).

The Resilient Life

JJC, Weitendorf Agricultural Education Center

17840 W. Laraway Rd, Joliet, IL 60433

Tuesday; March 10, 2020

8:00 am till 4:00 pm

GPS alert: use 1151 East Laraway Road 60433, neighbor of Ag. Center

This course complies with the guidelines of the following mandate(s):
Mental Health Awareness | Officer Wellness

Course Description: This engaging one day course has been designed to introduce and enhance students' skills in coping with the trauma and experiences associated with law enforcement service. It will provide students with techniques for increasing and practicing emotional resilience that will improve officer wellness at home and on the job. By the end of the day's training, students will be able to identify their levels of resiliency in various aspects of their lives and enhance their skills in coping with stressors commonly experienced in law enforcement careers.

Topics to be addressed include the following:

- Stress identification
- Control and Trust
- Resiliency
- Self-assessment
- Selecting challenges to solve
- Identifying barriers to resiliency
- Defining root causes
- Building road maps to wellness
- Sustaining resiliency and building accountability

Instructor:

The instructor for this course is Tim Perry. Tim is an 8-year veteran of the United States Air Force with over 3,000 hours of flight time and served in the first Gulf War. He also has over twenty years of award-winning leadership experience in three Fortune 10 U.S. organizations in product marketing, project and process management, learning development, and sales. He is founder of two non-profit organizations - one that serves Native American Indian Reservations and another that provides crisis counseling for police and fire agencies. He is a graduate of Embry-Riddle Aeronautical University and received a Master of Leadership degree (Philosophy, Theology, and Psychology) from Rockbridge Seminary.

Mental Health Intervention & De-Escalation

Morris Police Department
200 E. Chapin St., Morris, IL 60450
Thursday; March 12, 2020
8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s): Civil Rights
Mental Health Awareness | Legal Updates | Use of Force | Cultural Competency | Lead Homicide Investigator |
Procedural Justice | Human Rights | Constitutional and Proper Use of L.E. Authority | Officer Wellness

Course Description:

In the last four decades, the number of individuals with mental illness living in a community setting has risen drastically, resulting in increased contacts with law enforcement. Agencies across the country have responded by developing new protocols, hiring social workers, and implementing special response teams. This course is designed to increase officer awareness of mental health disorders and provide effective intervention techniques for handling mental health crisis situations. This training will benefit all levels of public safety, including police officers, corrections officers, probation officers, EMTs and telecommunicators.

(This course is State certified and meets Board guidelines for eight mandated training areas. It is also approved for eight hours credit toward the 32-hour recertification requirement for Lead Homicide Investigators.)

Topics include:

- History and Background
- National Perspectives
- Types and Symptoms of Mental Illness
- Medications and Co-occurring Disorders
- Treatment for Mental Illness
- Suicide Assessment and Response
- Police Intervention Models
- De-Escalation Strategies
- Violence and Mental Illness
- Legal Issues
- HIPPA
- Emergency Petitions

Continued on next page:

Instructor:

Officer Brian Tison

CIT Coordinator / Hostage Negotiations Team Leader METRO/SWAT

University of Illinois Police Department

Brian Tison has been a sworn officer for over 26 years, serving with both the Vermilion County Sheriff's Department and the University of Illinois Police Department. He is currently assigned to the Patrol Division and is a certified Master Firearms Instructor and Field Training Officer. Brian is an active CIT Officer and Coordinator for the Crisis Intervention Program for UIPD. He also serves as Hostage Negotiation Team Leader for the Champaign County METRO/SWAT Team and is the Vice President of the Board of Directors for the Illinois Crisis Negotiators Association. Brian teaches the police response portion of the 40-hour Crisis Intervention Team (CIT) course statewide and serves as the CIT Task Force representative for the University of Illinois. He was one of the first officers in the state to be trained as a CIT instructor and has taught extensively for Mobile Team Units (MTUs) in Illinois. Brian has presented at National CIT Conferences in Florida and Ohio. In 2006, he was named CIT Officer of the Year for the State of Illinois.

DWI Detection & Standard Field Sobriety Testing

(24-hour course)

Bolingbrook Police Department

375 Briarcliff Rd., Bolingbrook, IL 60440

March 16 – 18, 2020; 8:00 am till 4:30 pm

This course complies with the guidelines of the following mandate(s):

Constitutional & Proper Use of LE Authority | Civil Rights | Law Updates

This three-day, 24-hour course is a State Certified program on the standardization of sobriety testing procedures. The latest testing methods will be demonstrated. Horizontal Gaze Nystagmus (HGN) techniques for improved probable cause standard for DUI arrests will be taught. This course will also cover the pharmacological differences between drug effects and alcohol effects on the body.

➤ ***This course utilizes live dosed individuals as opposed to videos, which greatly enhances the training.***

Course Description: The purpose of this course is to increase deterrence of DWI violations, and thereby reduce the number of crashes, deaths and injuries caused by impaired drivers. As a result of this training, participants will become significantly better able to:

- Understand enforcement's role in general DWI deterrence.
- Understand detection phases, clues and techniques.
- Understand requirements for organizing and presenting testimonial and documentary evidence in DWI cases.
- Recognize and interpret evidence of DWI violations.
- Administer and interpret Standardized Field Sobriety Tests.
- Describe DWI evidence clearly and convincingly in written reports and verbal testimony.
- Understand the tasks and decisions of DWI detection.
- Know and recognize typical vehicle maneuvers and human indicators symptomatic of DWI associated with initial observations.
- Know and recognize typical reinforcing maneuvers and indicators that come to light during the stopping sequence.
- Know and recognize typical sensory and other clues of alcohol and/or other drug impairment that may be seen during face-to-face contact with DWI suspects.
- Know and recognize typical behavioral clues of alcohol and/or other drug impairment that may be seen during the suspect's exit from the vehicle.
- Understand the role and relevance of psychophysical testing in pre-arrest screening of DWI suspects.
- Know and carry out appropriate administrative procedures for validated divided attention psychophysical tests.
- Know and carry out appropriate administrative procedures for the Horizontal Gaze Nystagmus test.
- Know and recognize typical clues of alcohol and/or other drug impairment that may be seen during administration of the Standardized Field Sobriety Tests.

Instructors: The instructors for this class will be Lt. Dave Schurr (Ret.) of the Bolingbrook Police Department and Sgt. Steve Sigler of the Illinois State Police.

"My C.I."

Cultivating and Effectively Handling Today's Top Confidential Informants

Frankfort Police Department

20602 Lincoln-Way Lane, Frankfort, IL 60423

Wednesday; March 18, 2020

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s)

Civil Rights | Constitutional and Proper Use of Law LE Authority | Lead Homicide

Course Description: The focus of this dynamic one-day seminar is to simply clarify each and every aspect of working hand and hand with an "informant" in any criminal investigation, such as of drug cases, property crimes and other serious crimes against person including homicides. This seminar has been developed for *patrol officers, tactical officers, detectives, gang investigators, agents and command staff*. Your expert instructor will share his experiences and address issues to help you develop your own strategies in spotting, cultivating and safely getting informants to work for you.

From first time offenders to high-level criminal organizations, the mentality of those heavily involved in today's most serious crimes is rapidly changing. Today, we are tasked with combating the most dangerous criminals in the U.S. and across the world who continue to improve in ways of eluding law enforcement. This is where "My C.I." comes in. Behind every great informant is a greater handler who always understands their capabilities, an informant's limits, and the legal aspects during day to day operations. Despite the ambitions or motivators of potential informants, you will develop the expertise that's needed today to protect the informant, your agency and yourself.

Topics Include:

- Spotting today's possible candidates and dangers
- Evaluating the informant and their potential in each investigation
- The significance of protecting your agency and establishing voluntariness
- Understanding the informant's motivators and lifestyle
- Mastering rapport and effective communication
- Establishing and maintaining ethical and professional relationships
- Today's legal aspects and courtroom preparation

Instructor: Steve Hollister, is a detective with the Waukegan (Illinois) Police Department and has been a police officer for over 19 years. During his tenure, Steve has worked in Patrol, Gang Unit, Drug Unit, Adult Investigations, SWAT, and currently the Gang Intelligence Unit (GIU) which is a high bred Gang/Drug unit. Steve primarily worked for the department's elite drug and gang unit as the drug unit's senior drug investigator until having the opportunity to work as a Task Force Officer (TFO) with the Drug Enforcement Administration (DEA). During his time with the DEA, over \$10 Million dollars were seized in the form of currency, homes, vehicles and jewelry. Also, during his tenure at DEA, well over 300 kilos of heroin, cocaine or meth were taken off the streets as well as numerous high-level cartel members that organized drug operations in the United States, Columbia, Mexico and Peru.

Railroad Liaison Officer

Romeoville Police Department

1050 West Romeo Road (at Sunset Pointe Drive), Romeoville, IL 60446

Thursday; March 19, 2020

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s): Law Update

Course Description: In the United States, a pedestrian or vehicle is struck by a train every three hours. Likewise, there is a train derailment every two hours. Trains and tracks traverse every locality, carrying passengers, freight, and hazardous materials. Should one of these collisions or derailments occur within a local jurisdiction, it becomes the responsibility of local emergency services to respond and safeguard the community. It is essential that every police department has personnel trained to manage these unique types of incidents.

The Railroad Liaison Officer (RLO) Program provides the necessary training for officers to not only respond to and mitigate train related incidents, but also prepares the officers to return to local jurisdictions and provide training/guidance to the remainder of the department on rail safety enforcement and incident mitigation. The RLOs will also be provided resources allowing them to prepare railroad safety presentations to the general public. The RLO will develop connections with railroad special agents and will be the railway expert within your department.

Topics that will be covered include:

- History and Authority of Railroad Police
- History of CN Railway
- Basic Railroad Awareness
- Incident Response
- Safety
- Hazardous Material Incident Response
- Traffic, Trespass, and Other Enforcement
- RLO Benefits and Recognition

Instructor: Jeffrey Price is a Special Agent and CSO with the CN Railroad Police Department, Central Division, located in Harvey, IL, where he oversees safety education and community participation in the States of Illinois, Indiana, and Iowa. S/A Price has been involved with Operation Lifesaver since 2009 and has taught Grade Crossing Collision Investigation (GCCCI) and other railroad safety classes at various law enforcement agencies and police academies. Prior to working at CN, S/A Price worked as a Corporal with the Mishawaka Indiana Police Department for 11 years where he served as a Field Training Officer, Drug Recognition Expert (DRE) and Crisis Intervention Team (CIT) member. S/A Price graduated from ILEA in Plainfield, IN, Class 07-171. S/A Price is currently a certified law enforcement instructor as a generalist and emergency vehicle operations (EVO) by the Indiana Law Enforcement Training Board.

Advanced Roadside Impaired Driving Enforcement

New Lenox Police Department

200 Veterans Parkway, New Lenox, IL. 60451

Tuesday & Wednesday; March 24 & 25, 2020

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

Civil Rights | Constitutional & Proper Use of LE Authority | Human Rights | Legal Updates

Course Description: The Advanced Roadside Impaired Driving Enforcement (ARIDE) program was developed by the National Highway Traffic Safety Administration (NHTSA) with input from the International Association of Chiefs of Police (IACP) Technical Advisory Panel (TAP) and the Virginia Association of Chiefs of Police. ARIDE was created to address the gap in training between the Standardized Field Sobriety Testing (SFST) and the Drug Evaluation and Classification (DEC) Program.

This course will offer additional information to law enforcement officers on detecting impairment caused by more than just alcohol. Often law enforcement officers that have not received advanced or in-service training regarding drug impairment tend to not be able to identify these characteristics; therefore, they will release an impaired driver. Once an officer completes the training he/she will be more proficient with the 3 battery of tests (HGN, WAT, OLS), as well as a broader knowledge of drug impairment indicators. The law enforcement officer will also be more familiar with the DRE program and its function. This will facilitate better communication and transfer of critical roadside indicators of impairment to the evaluating DRE officer for a more complete and accurate assessment of the impairment.

ARIDE is a 16-hour training course taught by DRE instructors or SFST instructors who are also DREs. The training will be conducted under the control and approval of the DEC Program state coordinator. This course encompasses information and techniques for addressing the drug and alcohol impaired driving problem. The following topics are discussed and/or delivered in detail throughout the entire curriculum:

- Update of Standardized Field Sobriety Testing Battery
- How drug impaired driving affects our community
- SFST Proficiency Examination
- Drugs in the human body and the impairing effects they may have
- Seven categories of drugs identified by the DEC Program
- Additional sobriety tests that will provide an expanded knowledge of detection to law enforcement
- Provide an expanded knowledge of prosecuting drug impaired drivers to prosecutors and courts

Much of the classroom training is devoted to hands-on practice.

Instructor: Tony Lebron (Retired M/Sgt; Illinois State Police) will be the lead instructor.

Member Tuition: None*

Non-Member Tuition: None*

**This course is grant funded by the Illinois Department of Transportation through the Police Traffic Services Training Project and administered by the Illinois Law Enforcement Training and Standards Board.*

Tactical Emergency Casualty Care

Morris Police Department

200 E. Chapin St., Morris, IL 60450

Thursday; March 26, 2020

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s): Procedural Justice

Course Description: Officers will discuss and visualize the concept of Tactical Emergency Casualty Care as it applies to law enforcement tactical situations and the treatment of injured officers. Officers will learn and demonstrate specific treatments and interventions for the most commonly encountered wound patterns.

Officers are asked bring clothing appropriate for weather conditions for scenario training.

On completion of the course, each participant will receive a Medical Patrol Officer Kit for duty use. Each kit contains: One C-A-T Combat Application Tourniquet, an OLAES Emergency Trauma Dressing and a Hyfin Vent Compact Chest Seal.

Upon completion of this period of instruction, officers will be able to:

1. Identify the concepts of Tactical Emergency Casualty Care, its use in the law enforcement environment and how this concept differs from historically taught conventional First Responder medical treatment practices.
2. Identify the most commonly sustained officer injuries and preventable causes of death.
3. Identify the importance of mindset and maintaining situational awareness when wounded and when treating fellow officers.
4. Identify signs and symptoms of airway problems and demonstrate airway interventions.
5. Identify signs and symptoms of serious bleeding and demonstrate control interventions.
6. Identify signs and symptoms of shock and demonstrate prevention and treatment interventions.
7. Perform a Casualty Evaluation/F.A.S.T. Rapid Trauma Assessment and tactical evacuation.
8. Plan and perform a vehicle and non-vehicle officer down rescue/extraction in a high-threat environment.

Instructor: Justin D. Rottmann is a police officer and a firefighter/paramedic. He has been part of the ILEAS Region 8 SRT since 2012. He currently serves as the TEMS (tactical EMS) team leader.

Member Tuition: None*

Non-Member Tuition: None* (Members will have priority in registration)

The style, appearance and approach of the successful interviewer and interrogator will be covered, as will the room settings conducive to these activities.

Behavior Symptoms

Differences in verbal and nonverbal behavior between innocent and deceptive persons often can be observed, and are thus indicative of whether or not a suspect is telling the truth. A guilty suspect makes a conscious decision to resist your effort to get at the truth. In trying to maintain a structure of verbal lies, however, that suspect most often develops internal conflicts and tensions which manifest themselves in nonverbal behavior. Thus, body movements, facial expressions, eye contact, attitudes, posture and grooming gestures can indicate whether the subject is telling the truth or lying. Nonverbal indicators can also be used to determine whether the suspect under interrogation is listening, maintaining a defiant attitude or is ready to confess. You will learn how to observe and assess critical behavior symptoms and use those assessments to determine whether to move on to the next step of the interrogation.

Reid® Behavioral Analysis Interview (B.A.I.)

The information developed through use of the standard investigative questions of “who,” “what,” “when” and “how” is often not adequate — even in combination with physical evidence — to identify the wrongdoer. The Reid Behavioral Analysis Interview is a technique that uses a structured set of non-accusatory behavior-provoking questions developed as a result of many thousands of interviews. The B.A.I. makes it easier to determine whether the suspect is telling the truth about involvement in the matter under investigation, and is flexible enough to be used in cases ranging from employee theft to homicide.

The Reid Nine Steps of Interrogation®

The nine-step approach to a successful interrogation has been developed by John E. Reid and Associates through extensive research and practical experience over a period of 60 years. Because of the subject’s importance, approximately half the classroom time in the seminar is devoted to the interrogation process and detailed examination of each of the nine steps.

John Reid and Associates will provide the instructor for this class.

Member Tuition: None

Non-Member Tuition: \$345.00

John Reid Advanced Interviews & Interrogations

New Lenox Police Department
200 Veterans Parkway, New Lenox, IL 60451
Friday; April 3, 2020
8:00 am to 3:00 pm

This course complies with the guidelines of the following mandate(s):
Civil Rights | Constitutional & Proper Use of LE Authority | Lead Homicide Investigator | Legal Updates

Course Description: This course is for individuals who have completed the 3-day seminar on *The Reid Technique of Interviewing and Interrogation*, and builds upon their knowledge of the Reid Technique.

Most unsuccessful interrogations are a result of the investigator's inability to move the guilty suspect from one stage of the interrogation to the other. *Reid* has defined three distinct stages of the interrogation that may give the investigator problems:

1. Defiant stage: seven proven tactics to move suspects out of this stage
2. Neutral stage: four proven techniques to get the suspect to listen to the interrogator's themes
3. Acceptance stage: three specific techniques that will dramatically increase admissions of guilt

People who commit crimes do so to fulfill certain needs. What needs were satisfied is based upon the case facts, evidence and results of the interview — types of needs that will be thoroughly discussed are:

- Real need crimes
- Impulse need crimes
- Esteem need crimes
- Lifestyle need crimes

The Advanced Seminar will also address the following specific problem areas for some but not all interrogations:

- Juvenile interrogations
- Interrogation regarding guilty knowledge
- Playing one suspect against another
- Interrogation on multiple crimes

Course Instructor: This course will be taught by Instructors with John E. Reid and Associates, Inc.

Member Tuition: None

Non- Member Tuition: \$125.00
