Monday; January 7, 2019

8:00 am till 4:00 pm

GPS alert: use 1151 East Laraway Road 60433, neighbor of Ag. Center

This course complies with the guidelines of the following mandate(s):

Constitutional & Proper Use of LE Authority | Legal Updates

Course Description: This eight-hour course will be an open forum review of the primary enforcement sections of the Illinois Vehicle Code. Content includes the use of IVC violations for probable cause stops, bail bond procedures for multiple offense and out-of-state violators, and equipment and safety and enforcement issues.

Attendees will participate in table-top exercises in the morning and afternoon sessions. These exercises will help officers understand the subtle differences in the subsections of offenses (e.g.: turning, U turns, sign violations). Attendees will also examine the differences between business, petty, and serious IVC offenses. Attendees will:

- Learn the application of the "hands free" electronic communication device law
 - what is allowed while holding the device (speed dialing, etc)
- Review
 - New laws
 - Changes to existing laws
- Review current violations from commonly used IVC chapters
- Cover the new bond procedure for petty traffic offenses effective 01/01/2015
- Learn how to recognize vehicles which are *hazardous dilapidated motor vehicles*
 - when a vehicle can be towed by law enforcement from private property
- DUI enforcement laws
 - BAID
 - MDDP
 - Felony violations
- Review less commonly used, probable cause-based sections
- Learn proper application of IVC registration sections to out-of-state violators
- Review current court case law affecting application of the IVC

Continued on next page:

- Learn proper application and use of IVC sections for similar offenses
 - e.g.: charging too fast for conditions instead of speeding
- Review towing statutes and court rulings about vehicle towing
- Learn graduated license enforcement
- Review child safety seat enforcement

This course is appropriate for patrol and traffic enforcement officers (local, county, state), and their supervisors.

Instructor: H. Michael Drumm, D.P.A, will conduct the course. Dr. Drumm is president of Drumm & Associates, Ltd. He has more than 37 years of IVC enforcement experience, and is currently a member of the Monee Police Department. Drumm is an ITOA and ILEETA member, and is certified as an instructor with the Illinois Law Enforcement Training and Standards Board. Drumm is also an approved instructor for the Department of Homeland Security, and an adjunct instructor at the Police Training Institute at the University of Illinois and the Suburban Law Enforcement Academy (SLEA) at the College of DuPage (IL).

Tuesday & Wednesday; January 8 & 9, 2019

8:00 am till 4:00 pm

GPS alert: use 1151 East Laraway Road 60433, neighbor of Ag. Center

This course complies with the guidelines of the following mandate(s): Law Update | Use of Force
Constitutional & Proper Use of Law Enforcement Authority | Procedural Justice

Course Description: This new, 16-hour train-the-trainer program is designed to instruct officers in the legal, policy, and tactical issues related to the lawful and justifiable use of force in the course of police duties. This program will cover mandated State of Illinois use of force objectives and expand upon them. Human performance science related to high stress response will be studied so that students might better understand how and why officers respond and make high-speed decisions during critical incidents. Review of applicable federal and state statutes, case law, and policies will provide student officers with the knowledge needed to return to their respective agencies and develop effective courses of on-going study and instruction for all officers as required by the Police and Community Relations Improvement Act and ILETSB policy regarding the certification of in-house use of force training programs.

Other use of force-related topics to be covered in this program include:

- Procedural justice, de-escalation, disengagement, tactical patience, and perception challenges
- Human performance as it relates to force use and judgement, including time framing, time to start/time to stop, perseveration, visual narrowing, inattention blindness, and memory challenges in violent events
- Pre-event preparation issues, including an overview of "Left of Bang" concepts and behavior analysis
- Force documentation, articulation, and the importance of story-telling techniques to accurately describe behavior

Instructors:

This course will be taught by: Chief Jeff Chudwin, Olympia Fields Police Department (Retired) and Sgt. Bernard Hogancamp, Homewood Police Department (Retired).

Full Crisis Intervention Team Training (CIT) Full

Plainfield Fire Protection District (Headquarters)

23748 W. 135th Street; Plainfield, IL 60544

Monday – Friday; January 14 – 18, 2019

8:00 am till 4:00 pm

Please note: Officers are required to have 2 years of service in a non-probationary status before he/she may attend this class.

This course complies with the guidelines of the following mandate(s): Civil Rights | Constitutional & Proper Use of LE Authority | Cultural Competency | Human Rights | Legal Updates | Procedural Justice | Mental Health Awareness

Purpose: Law enforcement officers are generally the first responders to crisis events. This course is also open to local and county sworn corrections officers. It is important to have individuals in law enforcement who can utilize effective strategies, insuring public and personal safety. The Crisis Intervention Team (CIT) training provides officers with education about mental illness and other behavioral disabilities as well as providing skills and tools for effectively and safely interacting with someone who is experiencing a crisis.

Course Description: Crisis Intervention Team training is an in-depth 40-hour specialized course of study for uniformed patrol law enforcement officers and sworn corrections officers who, in addition to their regular service calls, will be required to respond to crisis calls involving people who have behavioral disabilities. CIT officers will use their acquired knowledge and skill to effectively handle crisis situations and make the most appropriate disposition, which will best serve the individual and the community. Course is certified by the *Illinois Law Enforcement Training and Standards Board*.

The key components of this course cover the following:

- Officers are exposed to the dynamics of mental illness, developmental disabilities, child and adolescent disorders, elderly individuals with behavioral issues, returning combat veterans, people who have excited delirium, and people with substance abuse/co-occurring disorders. This training will allow officers to make quick and effective decisions utilizing options they have to resolve the crisis.
- Officers are exposed to the experiences, viewpoints and concerns of persons with mental illnesses (consumers). Officers will meet with consumers in order to gain their perspective and learn from them.
- Officers receive instruction and demonstrations in basic listening and responding skills along with crisis interventions strategies. Real life crisis scenarios provided by trained professional actors with the assistance of state-certified CIT officers are presented to officers for them to demonstrate their resolution skills.
- **The scenario-based training will take place on Thursday, January 17th, attendees will be required to wear their "department uniform of the day" for their current assignment.**

About the Instructors: The course will be conducted by a diverse group of law enforcement and behavioral health professionals, including active CIT officers from various parts of the State of Illinois. An essential part of the CIT course is scenario-based skills training with crisis scenarios provided by trained professional actors. All scenarios are facilitated and evaluated by certified CIT officers.

Course Description: The *First-Line Supervision* course prepares first-line supervisors for a successful transition from officer to supervisor, and provides professional development to current supervisors who have had little or no formal training to lead officers. The course provides the fundamentals of leadership and followership to enable students to become more effective in their roles, and provide an educational foundation for life-long learning and professional development.

The **one-week course** is designed to teach supervisors how to overcome contemporary leadership challenges and focuses on understanding human behavior and day-to-day work relationships with subordinates, superiors and the public. As emerging leaders navigating today's changing law enforcement environment, *First-Line Supervision* students learn how to effectively motivate, evaluate and discipline employees in order to successfully carry out the visions of their law enforcement agencies.

Who Should Attend:

First-Line Supervision is an absolute must for all new supervisors or soon-to-be-promoted officers. Experienced supervisors are encouraged to attend to improve their leadership and supervisory effectiveness and continue developing in the law enforcement profession.

Course Content:

- The personal profile system: DiSC instrument
- Key elements of dynamic leadership
- Communication
- Supervising Diversity
- Motivational principles
- Performance Management
- Planning and decision making
- The disciplinary process
- Ethics, professionalism and community image
- Risk Management

Instructors: Course instructors are police managers (active or retired) who combine extensive experience with solid academic credentials, provided by *NUCPS*.
