Monday - Friday, April 1 - 5, 2019

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s): Human Rights | Cultural Competency
Civil Rights | Constitutional & Proper Use of LE Authority | Legal Updates | Procedural Justice

Course Description: This forty-hour course is specifically designed for experienced uniformed patrol personnel selected to serve as Field Training Officers with probationary employees. The course emphasizes the FTO's role in assisting probationers certify for solo patrol operations by applying the knowledge and skills acquired during Basic Police Training/Certification and using them according to agency policy, procedures and community service delivery standards.

The instruction highlights two essential Field Training and Evaluation Process skills: 1) the ability to examine and objectively document the probationer's job behaviors using the 2009 revised non-numerical/behaviorally anchored standardized assessment guidelines and, 2) analyzing the probationer's training needs and using proper instructional techniques for corrective action.

The instruction presentation will focus upon discussion as well as hands-on application of the course materials in small group and individual/student exercises. Students will be required to complete out-of-classroom reading assignments from the course text and workbook, *Breaking Routine™: Field Training Officer*.

The course content will include:

- What every FTO really needs to know about the operational structure of the Field Training & Evaluation Process.
- The Instructional Relay Race: Taking over where Basic Police Training/Certification left off.
 - Inventorying the probationer's current knowledge and skill proficiencies.
- Selection and use of on-the-job instructional techniques: finding the best tools to meet the challenge.
- Utilization of legally defensible, non-numerical standardized evaluation guidelines.
- Objectively documenting probationer performance.
- Documenting the extent of training and coaching without becoming a best-seller author.
- Strategically addressing Probationer areas of Corrective Action Necessary.
- Utilizing the Probationer Officer Manual as the Field Training playbook.
- Practical Directed Patrol Mapping™: Preparing the Probationer for Proactive - Community Oriented Policing: Dancing with SARA!
- Creating a Self-Reliant™ law enforcement agent.

Special attention: *Students should be familiar with their Department's current Field Training and Evaluation Process and should be briefed on their agency's process. Students are encouraged to bring a copy of their agency's Probationary Office Manual and forms to class.*

Instructor: This course will be taught by: Mr. Bruce Sokolove, Field Training Assoc., Ypsilanti, MI.

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s): Procedural Justice

Course Description: Officers will discuss and visualize the concept of Tactical Emergency Casualty Care as it applies to law enforcement tactical situations and the treatment of injured officers. Officers will learn and demonstrate specific treatments and interventions for the most commonly encountered wound patterns.

Officers are asked bring clothing appropriate for weather conditions for scenario training.

On completion of the course, each participant will receive a Medical Patrol Officer Kit for duty use. Each kit contains: One C-A-T Combat Application Tourniquet, an OLAES Emergency Trauma Dressing and a Hyfin Vent Compact Chest Seal.

Upon completion of this period of instruction, officers will be able to:

1. Identify the concepts of Tactical Emergency Casualty Care, its use in the law enforcement environment and how this concept differs from historically taught conventional First Responder medical treatment practices.
2. Identify the most commonly sustained officer injuries and preventable causes of death.
3. Identify the importance of mindset and maintaining situational awareness when wounded and when treating fellow officers.
4. Identify signs and symptoms of airway problems and demonstrate airway interventions.
5. Identify signs and symptoms of serious bleeding and demonstrate control interventions.
6. Identify signs and symptoms of shock and demonstrate prevention and treatment interventions.
7. Perform a Casualty Evaluation/F.A.S.T. Rapid Trauma Assessment and tactical evacuation.
8. Plan and perform a vehicle and non-vehicle officer down rescue/extraction in a high-threat environment.

Instructor: Justin D. Rottmann is a police officer and a firefighter/paramedic. He has been part of the ILEAS Region 8 SRT since 2012. He currently serves as the TEMS (tactical EMS) team leader.
