SFST Instructor School

Romeoville Police Department

1050 West Romeo Road, Romeoville, IL. 60446

Monday – Friday; May 16-20, 2022

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- Civil Rights 2.0 Hours
- Const. Use of LE Authority 2.0 Hours
- Legal Updates 16.0 Hours

Course Description: The purpose of this course is to prepare law enforcement professionals to effectively instruct the SFST training program using the concepts and principles provided by the National Highway Traffic Safety Administration and the International Association of Chiefs of Police. The curriculum addresses the application of basic adult learning theory and the instruction skills needed to deliver this training.

In the SFST instructor-development training program, the principal participants are law enforcement officers who have demonstrated proficiency in the administration of the standardized field sobriety tests (SFSTs), and are actively involved in detecting and apprehending impaired drivers. Participants should be well versed and comfortable with the SFSTs, including the HGN test.

Primary reasons for attending this training are:

- a desire to develop or strengthen effective presentation skills.
- a desire to develop or strengthen skills as an SFST instructor.
- a desire to learn how to conduct interactive participant-centered training.
- a desire to become more familiar with the SFST curriculum available through NHTSA and the International Association of Chiefs of Police.

The most significant learning activities are the presentations made by the participants. The participants will use NHTSA course materials to prepare their practice teaching presentations. Participants are expected to become thoroughly familiar with content, learning activities, training aids, etc. related to delivery of the SFST course.

Instructors: Dave Christiansen (lead instructor), of the Dekalb County Sheriff's Office, is a Drug Recognition Expert Instructor as well as a Standardized Field Sobriety Testing Instructor and crash investigator. He will be assisted by various Law Enforcement Officers (active and retired) approved by the Illinois Law Enforcement Training and Standards Board.

Policing A Diversified America (The U Approach)

New Lenox Police Department
200 Veterans Parkway, New Lenox, IL. 60451
Monday; May 23, 2022
8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- Civil Rights 1.0 Hour
- Cultural Competency 4.0 Hours
- Human Rights 1.0 Hour
- Procedural Justice 1.0 Hour

Purpose: Law enforcement officers today must understand the need to be educated in the differences that exist among the many cultures that we have in America. It is important that individuals who engage in law enforcement learn to understand and respect the differences among the many cultures today. This understanding will assist in enhancing the public perception of law enforcement and thus provide officers with the knowledge, skills and attitude necessary for dealing with cultural differences and thus enhance the professional image of today's law enforcement officers.

Course Description: Policing a Diversified America is a specialized course of study for law enforcement officers, who as part of their calls for service and proactive responsibilities, will likely encounter people that may be different from who they are and people who have different views on life. With this 8-hour training course officers will be able use the knowledge attained to better relate to a variety of cultures and communicate/interact effectively through understanding.

The key components of this course will cover the following:

- The definition of culture and the many types of cultures that exist today in America.
- The history of cultural tensions in America
- The mental conditioning of bias
- Discussion on cultural stereotyping
- Presumptions about Law Enforcement and Culture
- Controversies involving the excessive use of force
- The Civil Rights Act
- Laws Governing Racial Profiling
- Case Laws Involving Law Enforcement and Bias
- Effective Communication Through Understanding

About the Instructor: The course will be conducted by Traneil Thomas. Traneil is currently a Sergeant and former detective with over 20 years of Law Enforcement experience. Traneil is also a Marine Corps Veteran and holds a Bachelor's Degree in Criminal Justice. He is currently the CEO and Owner of Trained Ready Armed Defense Training & Consulting; he is also the owner of Trained Ready & Armed Apparel. Traneil grew up on the south-side of Chicago and is well versed in both urban and suburban lifestyles.

| • Officer safety techniques, including cover, concealment, and time | 3.0 Hours |

Course Description: Dave "J.D. Buck Savage" Smith first presented **The Winning Mind™** in 1987. Since then it has evolved into one of the most remarkable training experiences that law enforcement personnel will ever attend. By looking at the key components of peak performance, including who wins and why, the roles that optimism, risk and bureaucracy play in our personal and professional lives, and how individuals and organizations can make themselves truly resilient, Dave presents an entertaining & inspiring program designed to help everyone, regardless of their experience, optimize their odds of **winning** any confrontation.

The Winning Mind is updated continuously and always customized for the audience when it is presented. In his unique, energetic style, Dave Smith and his wife Sgt. Betsy Smith will give men & women the mental edge they need to not only face threats on the street but also manage the stresses they may confront in their daily lives, both on and off duty. In this multi-media session, Dave and Betsy will discuss:

- What makes someone a "winner?"
- Why "survival" is minimalistic, and we must train to WIN!
- The true role of "Warrior Ethos" in the police profession
- Understanding the role beliefs play in winning • What is true "optimism?"
- The "Truth About Gender Differences" in all aspects of your life
- What training really works and why
- The science of Crisis Decision Making
- The "Not Today" mindset, every day, on every shift
- Law Enforcement's Role in Preserving a Free Society
- Preventing panic, the "archenemy of survival"
- Being truly resilient after a setback!

This course is perfect for everyone working in a public safety organization regardless of rank, experience or assignment. Dave Smith's The Winning Mind has something for everyone!

Instructors:

Former police lieutenant **Dave Smith** is an internationally known speaker, writer, and law enforcement expert. Dave completed his college degree at the University of Arizona while fighting forest fires with the "Coconino Hot Shots" and then began his police career with the Tucson Police Department. In 1978 he joined the Arizona Department of Public Safety, holding positions in Patrol, SWAT, Narcotics, Training and

Management. In 1980 he developed the popular "Buck Savage" video training series, was the lead instructor for the Calibre Press "Street Survival" seminar from 1983 to 1985 and was instrumental in developing Calibre's timeless "Tactical Edge" officer survival book. (CONTINUED)

Dave holds numerous instructor certifications in firearms, defensive tactics, and human performance and is a proven expert witness and consultant. In 1989, Dave joined the Law Enforcement Television Network (LETN), developing and hosting cutting-edge police, security and public safety training as its Director of Education and was the general manager of Calibre Press until January of 2002. Dave continued to instruct the "Street Survival" seminar through 2012 as its senior instructor and he managed the most comprehensive update to the seminar since 2003. Dave has authored hundreds of articles for publications including Police Chief, Law and Order, The Trainer, Police Marksman, the Calibre Press Newslite, PoliceOne, Officer.com, Law Officer and POLICE magazine. Dave currently trains through the Arizona-based "The Winning Mind LLC" and is a regular columnist for POLICE magazine. He is the primary trainer for the online Police One Academy, produces and hosts PoliceOne's award winning "Roll Call Reality Training" segments and is a member of their advisory board. Dave is the author of the popular book In My Sights and is a frequent media analyst concerning law enforcement issues. Dave can be reached via his website at www.jdbucksavage.com or on his Facebook fan page as "JD Buck Savage."

Sgt. Betsy Brantner Smith retired as a 29-year veteran of a large metropolitan police department in the Chicago suburbs. Beginning her career as a police dispatcher at age 17, Betsy became an officer four years later and has held positions in patrol, investigations, narcotics, juvenile, hostage negotiation, crime prevention and field training. She received her four-year degree from Western Illinois University in 1991, and was a class officer and graduate of the Northwestern University Center for Public Safety's School of Staff and Command in May of 2001. She supervised her department's K-9 Unit, served as a field training sergeant, recruitment team sergeant, bike patrol coordinator, Crowd Control Bike Team leader, and supervisor of the Community Education/Crime Prevention Unit. Betsy served on the Elderly Services Team, the Crisis Intervention Team, and was a proud founding supervisory member of NPD's Honor Guard Unit. Betsy received numerous awards and commendations from her police department as well as many local and national awards for her performance as a police officer and supervisor. From 1999 – 2003 Betsy hosted various training programs and was a content expert for the Law Enforcement Television Network (LETN), is currently an on-air commentator and advisor for the Police One Academy and was a featured character in the Biography Channel's "Female Forces" reality show. She has been a law enforcement trainer for over 20 years and was a content expert and senior instructor for the Calibre Press "Street Survival" seminar from 2003 through 2012 where she also created the "Street Survival for Women" seminar. Betsy is a popular keynote speaker at conferences and events throughout the United States and has trained in various international venues. Since 1995, Betsy has authored hundreds of articles for law enforcement, government and civilian publications including Innovations in Government, Police Marksman, Law and Order, Police Chief, Law Officer, PoliceLink.com, PoliceOne.com, LawOfficer.com and various civilian firearms magazines through Harris Publications including "Combat Handguns." She served on the advisory board of Police Marksman magazine, is currently a featured columnist and video contributor on Officer.Com, NationalPolice.org and PoliceOne.Com. Betsy is a media analyst and the spokesman for the National Police Association and a frequent guest on many national news programs. Betsy is the creator of the only course of its kind for women in law enforcement, "The Winning Mind for Women" and is the owner of The Winning Mind LLC. Together, Betsy and her husband Dave develop and instruct cutting edge courses and travel extensively, bringing their inspirational messages throughout the world. ARIDE

Advanced Roadside Impaired Driving Enforcement

Orland Park Police Department

15100 S. Ravinia Ave., Orland Park, IL. 60462

Wednesday & Thursday; June 1-2, 2022

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- | | |
|--|---------------------------------------|
| • Civil Rights | 10.0 Hours (3.0 Hours Scenario-Based) |
| • Const. Use of L.E. Authority | 2.0 Hours |
| • Legal Updates | 4.0 Hours |
| • Advanced Roadside Impaired Driving Enforcement (ARIDE) | 16.0 Hours (3.0 Hours Scenario-Based) |

Course Description: The Advanced Roadside Impaired Driving Enforcement (ARIDE) program was developed by the National Highway Traffic Safety Administration (NHTSA) with input from the International Association of Chiefs of Police (IACP) Technical Advisory Panel (TAP) and the Virginia Association of Chiefs of Police. ARIDE was created to address the gap in training between the Standardized Field Sobriety Testing (SFST) and the Drug Evaluation and Classification (DEC) Program.

This course will offer additional information to law enforcement officers on detecting impairment caused by more than just alcohol. Often law enforcement officers that have not received advanced or in-service training regarding drug impairment tend to not be able to identify these characteristics; therefore, they will release an impaired driver. Once an officer completes the training he/she will be more proficient with the 3 battery of tests (HGN, WAT, OLS), as well as a broader knowledge of drug impairment indicators. The law enforcement officer will also be more familiar with the DRE program and its function. This will facilitate better communication and transfer of critical roadside indicators of impairment to the evaluating DRE officer for a more complete and accurate assessment of the impairment.

ARIDE is a 16-hour training course taught by DRE instructors or SFST instructors who are also DREs. The training will be conducted under the control and approval of the DEC Program state coordinator. This course encompasses information and techniques for addressing the drug and alcohol impaired driving problem. The following topics are discussed and/or delivered in detail throughout the entire curriculum:

- Update of Standardized Field Sobriety Testing Battery
- How drug impaired driving affects our community
- SFST Proficiency Examination
- Drugs in the human body and the impairing effects they may have
- Seven categories of drugs identified by the DEC Program
- Additional sobriety tests that will provide an expanded knowledge of detection to law enforcement
- Provide an expanded knowledge of prosecuting drug impaired drivers to prosecutors and courts

Much of the classroom training is devoted to hands-on practice.

Instructors: Dave Christiansen (lead instructor), of the Dekalb County Sheriff's Office, is a Drug Recognition Expert Instructor as well as a Standardized Field Sobriety Testing Instructor and crash investigator. Bloodstain Evidence Workshop

Plainfield Police Department

14300 Coil Plus Dr., Plainfield, IL. 60544-

Thursday, June 2, 2022

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s): PENDING-

- Const. Use of LE Authority — 3.0 Hours
- Procedural Justice — 1.0 Hour
- Lead Homicide Investigator — 8.0 Hours

Course Description: The goal of this program is to provide investigators with the skills necessary to identify, document, collect, and preserve bloodstain evidence and effectively integrate it into their cases. It provides the foundation for investigators to identify, document, collect, and handle bloodstain evidence in any criminal case. Students will be given detailed explanations of the most up-to-date, scientifically sound methods for identifying, documenting, and collecting bloodstain evidence encountered by law enforcement crime scene service units. It will build upon basic blood evidence training students receive in standard 40-Hour Basic Evidence Technician courses and will introduce advanced methods for interpreting and processing such evidence.

The lecture portion of this program is minimal so students can maximize time spent on hands-on exercises meant to build upon practical skills that will be immediately applicable on the job.

Topics to be addressed include:

- Safety precautions to be taken when working with bloodstain evidence
- Identifying bloodstain evidence
- Documenting bloodstain evidence (through photography and sketching)
- Photographing bloodstain evidence
- Sketching bloodstain evidence
- Chemical enhancement of bloodstain evidence
- Collecting blood stain evidence

Upon completion of this program students will have an enhanced awareness of how bloodstain evidence provides information as to types of weapons used, minimum number of blows struck, movement before and after bloodshed, and victim / offender positions before, during and after bloodshed.

STUDENTS MUST BRING A DEPARTMENT-ISSUED CAMERA WITH MACRO LENS, THE INSTRUCTIONAL MANUAL FOR THE CAMERA, A TRIPOD, ELECTRONIC FLASH, SYNC CORD, CABLE RELEASE, MEMORY CARD, FLASHLIGHT, AND A SCIENTIFIC CALCULATOR TO CLASS. MOST SMART PHONES HAVE A SCIENTIFIC CALCULATOR APP.

Instructor: This course will be taught by Michael Kirby (Inverness P.D. retired).

~~8:00 am till 4:00 pm~~

~~Please note: Officers are required to have 2 years of service in a non-probationary status before he/she may attend this class.~~

~~This course complies with the guidelines of the following mandate(s):~~

• Civil Rights	0.5 hours
• Constitutional/Proper Use of LE Authority Use of LE Authority	0.5 hours
• Crisis Intervention	12.0 hours
• Human Rights	7.0 hours
• Legal Updates	2.0 hours
• Officer wellness/mental health	2.0 hours
• Procedural Justice	4.0 hours
• De-escalation Techniques	8.0 hours (4.0 Hours Scenario Based)
• Officer Safety Techniques	4.0 hours (3.0 Hours Scenario Based)
• Crisis Intervention Team Training	40 hours

~~Purpose:~~ Law enforcement officers are generally the first responders to crisis events. It is important to have individuals in law enforcement who can utilize effective strategies, insuring public and personal safety. The Crisis Intervention Team (CIT) training provides officers with education about mental illness and other behavioral disabilities as well as providing skills and tools for effectively and safely interacting with someone who is experiencing a crisis.

~~Course Description:~~ Participants of this voluntary, 40-hour training program, receive intensive training on recognizing and addressing individuals in the community who have a mental illness or other behavioral health crisis. The CIT training program is an in-depth, specialized course for officers with at least two years' experience. The five-day course includes presentations by behavioral health specialists, experienced field officers and representatives from regional service providers. Officers will receive training in topics such as mental illness/signs and symptoms, co-occurring disorders, child and adolescent issues, medical conditions and psychotropic medications, and law enforcement response and legal issues. They will also learn advanced communication and de-escalation techniques, partake in valuable exercises, have a unique opportunity to participate in discussions with individuals who have a mental illness and or their family members and given an opportunity to exercise their skills in realistic scenario role plays.

(Continued)

The key components of this course cover the following:

- Officers are exposed to the dynamics of mental illness, developmental disabilities, child and adolescent disorders, elderly individuals with behavioral issues, returning combat veterans, people who have excited delirium, and people with substance abuse/co-occurring disorders. This training will allow officers to make quick and effective decisions utilizing options they have to resolve the crisis.
- Officers are exposed to the experiences, viewpoints and concerns of persons with mental illnesses (consumers). Officers will meet with consumers in order to gain their perspective and learn from them.
- Officers receive instruction and demonstrations in basic listening and responding skills along with crisis interventions strategies. Real life crisis scenarios provided by trained professional actors with the assistance of state-certified CIT officers are presented to officers for them to demonstrate their resolution skills.
- **The scenario-based training will take place on Thursday, June 9th, attendees will be required to wear their "department uniform of the day" for their current assignment.**

About the Instructors: The course will be conducted by a diverse group of law enforcement and behavioral health professionals, including active CIT officers from various parts of the State of Illinois. An essential part of the CIT course is scenario-based skills training with crisis scenarios provided by trained professional actors. All scenarios are facilitated and evaluated by certified CIT officers.

Scott Pickett, CFI retired from the Department of Homeland Security with more than 32 years of local and Federal law enforcement experience. He started his career as a Dallas Police Officer and was a full-time SWAT officer in the department's Special Operations Section. During his time at the Dallas Police Department, Scott responded to and participated in approximately 100 homicide and death investigations obtaining confessions and witness statements. Scott then accepted a special agent position with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF). He was assigned to an organized and violent crime group focusing on Jamaican Posse members, outlaw motorcycle gangs, and violent Colombian narcotics traffickers. As a special agent and supervisor at several ATF field offices and Headquarters, Scott conducted many complex investigations, interviews, and interrogations which resulted in the task force clearing 12 homicides in the United States and Jamaica. His experience investigating Colombian drug traffickers resulted in witness statements being obtained leading to the clearance of three homicides. As the supervisor for a violent crime taskforce, Scott provided leadership and oversight to task force members responding to and solving several bombing cases including a cold case bombing. In the cold case, numerous interviews had to be conducted soliciting new details to the investigation. This case resulted in a successful prosecution and murder conviction. After the attacks on September 11th, Scott transferred to the Department of Homeland Security's Federal Air Marshal Service (FAMS) as a supervisor. He helped open the Cincinnati Field Office and later transferred to the Cleveland Field Office as the Assistant Special Agent in Charge. Scott was promoted and transferred to FAMS Headquarters where he was the Special Agent in Charge of the FAMS Investigations Division. He then transferred to the Chicago Field Office and served as the Assistant Supervisory Air Marshal in Charge for more than three years before retiring in 2016. Scott has been an international speaker, a member of a United Nations working group, a presenter at INTERPOL, and an instructor at numerous domestic firearms trafficking seminars. Scott earned a Bachelor of Science Degree in Police Administration from Eastern Kentucky University and a master's degree in Homeland Security and Defense from the Naval Postgraduate School.

Jeffrey J. Pavletic is an award-winning trial attorney who has built a reputation of integrity and exceptional skill in the courtroom. As a prosecutor for the past two decades, he has tried countless cases to victory (including approximately 150 jury trials with a concentration in homicide and violent crime). In addition to trying some of the highest profile and complex cases that have occurred in the history of Northern Illinois, Jeff was Chief of the Felony Review Division, and is currently the First Assistant State's Attorney for the Lake County (Illinois) State's Attorney's Office. Jeff served as Special Counsel to the U.S. House of Representatives Judiciary Committee in the impeachment of President Clinton. His duties included all aspects of independent counsel review, the impeachment inquiry, presentation of articles of impeachment to the U.S. House of Representatives, all witness interviews and depositions of trial witnesses, and the actual impeachment trial before the U.S. Senate. Jeff has received numerous federal, state, and local awards. These include Illinois State Crime Commission's State's Attorney of the Year, Felony Trial Attorney of the Year, The Fred L. [Lewis University | Identifying and Responding to Stalking](#)

Lunch is optional and can be purchased at time of registration

Course Description:

Stalking is a prevalent, dangerous and often misunderstood crime and individuals under the age of 24 experience the highest rate of stalking. This seminar session explores the dynamics of stalking, focusing on the highly contextual nature of the crime by discussing common tactics used by perpetrators, stalking's co-occurrence with domestic violence, the use of technology to stalk, the use of risk assessments in stalking cases as well as tools to plan for victim safety and hold offenders accountable.

Objectives:

By the end of the seminar, participants will be better able to:

- Identify stalking behaviors and dynamics
- Recognize the intersection of stalking with domestic violence
- Identify common technologies used by offenders
- Identify the 14 risk factors in stalking cases
- Apply strategies for working with victims of stalking

Instructors:

Jennifer Landhuis, M.S. Jennifer is the Director of the Stalking Prevention, Awareness, and Resource Center (SPARC), a project of AEquitas. Jennifer has been an advocate and educator on the issues of stalking, domestic violence, and sexual assault for 24 years. She began her working in the anti-violence field in 1997 as an advocate in a rural domestic and sexual violence shelter for ten years, served as the Director of Social Change at the Idaho Coalition for ten years and has been the Director of the SPARC initiative since 2018. Jennifer has her Masters of Science Degree in Criminal Justice from the University of Cincinnati.

IDNR Explosives Safety, Recognition and Handling Course

New Lenox Police Department
200 Veterans Parkway, New Lenox, IL.60451
Wednesday; June 15, 2022
8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- Legal Updates 3.5 Hours
- Procedural Justice 2.0 Hours

Course Description: This is a one day 8-hour class being provided by the Illinois Department of Natural Resources, OMM-Explosives and Agg. Division. The class will provide hands on education for recognizing the different types of high/low explosives and their requirements at both the State of Illinois level, as well as the BATFE (Federal) level. In addition to general explosive recognition, the specifics and differences of consumer fireworks (1.4) vs. professional grade fireworks (1.3G) and the laws that pertain to them will be discussed in great detail.

This class is being provided by the IDNR to help educate law enforcement and to provide direct assistance, on scene, when dealing with explosive situations. The IDNR regulates / investigates high and low explosives including 1.1, 1.2, 1.3, and 1.5. Too many times law enforcement does not have the education to know how to identify an explosive and/or if a bomb squad needs to be called. Bomb Squads, Explosives Breaching SWAT Teams, and BOMB Dog Handlers already possess the IL Individual Explosives License. The IDNR must be notified immediately upon any recovery of a regulated explosive and/or device to pursue the information necessary for enforcement.

If the Officer and their respective department so desire; after completing the class and passing the exam they can receive an IL IDNR Individual Explosives License, to be used in association with their law enforcement duties. A random monthly bank of test questions will be administered at the end of the class which will consist of 50 questions that will be multiple choice and/or True-False. Each officer receiving the license will fill out an application and must pass the test with an 80% or higher. Officers who do not pass the test will be provided an opportunity to retest in the near future.

- **Licensing is recommended but not required to attend.**

There are eight chapters covered in the presentation and each officer will be provided a packet of information from the IDNR consisting of a copy of the IL Explosives Act, the Admin Codes that Apply to the Act, a general explosives safety packet, a packet for note taking as the presentation is given, and a small 4-page packet for officers to keep available as a quick reference guide for explosive identification purposes, while on duty.

Continued on next page:

Key topical areas to be addressed include the following:

- Illinois Explosives Act
- Explosive Storage Requirements-Law Enforcement and Non-Law Enforcement
- Explosives Safety/Recognition/Handling (m-devices, homemade sticks, etc.)
- Fireworks- 1.3G low explosives (professional fireworks) vs 1.4 low explosives
- Enforcement of 1.3G vs. 1.4 and their requirements

Instructor:

The instructor for this class is Nick Sterling who currently is a Specialist/Inspector/Investigator for the Illinois Department of Natural Resources, OMM-Explosives and Agg. Division. Mr. Sterling's current territory includes Cook, Lake, McHenry, DuPage, Kane, Kendall, Gundy, and Will Counties. Sterling has been with the Department for four years and inspects/investigates all explosive storage facilities (Law enforcement and Non-Law Enforcement), explosives accidents, explosives incidents, and performs random checks/investigations on both licensed and unlicensed individuals. Sterling has 18 years of high explosives experience and teaches the IL Individual Explosives License Class on a regular basis. Over the past few years Mr. Sterling has noticed a lack of education when law enforcement agencies are dealing with explosives related issues, and hopes to help prevent these issues in the future through education and assistance.

Vehicle Dynamics

Students must have successfully completed Crash Investigation 1 and Crash Investigation 2

Frankfort Police Department
20602 Lincoln-Way Lane, Frankfort, IL 60423
Monday- Friday, June 20-24, 2022
8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- Procedural Justice 1.0 Hour
- Lead Homicide Investigation 40.0 Hours

Course Description:

Learn the mathematics and laws of physics required for Traffic Crash Reconstruction 1 & 2. This course teaches the motion of bodies and the actions of forces that produce or change that motion (dynamics) as applied to crashes. Students learn the classical mechanics equations of motion, drag factor, and friction and acceleration coefficients. Vehicle Dynamics also introduces the methodology for estimating vehicle speeds based on flips, vaults, and sideslips and teaches the differences between force, momentum, and energy in crash investigation/reconstruction.

This course provides an introduction to basic mathematical procedures and the basic laws of physics necessary for those who wish to attend Traffic Crash Reconstruction 1 and Traffic Crash Reconstruction 2.

Vehicle Dynamics involves a considerable amount of physics and mathematics. Prospective students should have successfully completed a high school physics course as well as high school level algebra, geometry, and trigonometry.

Course Topics:

- Newton' Laws of Motion
- Coefficient of friction and drag factor
- Introduction to basic motion equations – velocity, time, acceleration, and distance
- Speed estimates using flip/vault, fall and sideslip equations
- Momentum – collinear (in-line)
- Energy and skidding, kinetic energy, and velocity estimates
- Speed estimates from irregular skid marks

Course Materials: All students **must** bring the following:

- Small pair of scissors
- Scientific calculator with square root key
- Mechanical Pencils
- Laptop computer (or other device) with USB port(s) and Adobe Reader installed

*Students may use calculators and electronic communication devices in class; however, possession/use of electronic communication devices during closed-book quizzes and exams is prohibited.

Instructor (s): Course instructor(s) are provided by *NUCPS*.

Small Unmanned Aircraft Systems (Drones) in Law Enforcement

JJC, Weitendorf Agricultural Education Center

17840 W. Laraway Rd., Joliet, IL 60433

Monday-Friday, August 1-5, 2022

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- Civil Rights 1.0 Hour
- Const. Use of LE Authority 4.0 Hours
- Legal Updates 1.0 Hour
- Procedural Justice 1.0 Hour
- Officer safety techniques 1.0 Hour

Course Description: This training will introduce officers to the use of Small Unmanned Aircraft Systems (sUAS), commonly called “drones”, for both evidence collection and search operations. The course will cover all aspects of UAS operations, including preparations for the mandatory FAA Part 107 licensing. It will include information on the necessary waiver to fly in populated areas and night operation of drones. Hands-on experience with full-sized drones will give officers the confidence and ability to operate in a safe manner. Evidence collections in both photo and video format will be addressed, as well as the legal aspects of how to handle and store this information, as it differs from standard photo/video collection rules.

Finally, the Freedom from Drone Surveillance Act, ILCS 725/167 will be discussed to provide officers and their departments with a clear understanding about operating drones within the confines of the law, including the mandate to inform the State about maintenance and flight operations. Upon completion of this course, attendees will possess the knowledge to successfully take and pass their Part 107 FAA pilot’s exam to become a licensed pilot. They will also be able to assist in creating proper departmental policies and procedures for operating drones.

Course Objectives: Identify the following: All state and federal laws pertaining to Small Unmanned Aircraft Systems (sUAS); different types of airspace; weather and weather-related conditions including cloud formations, types of fog, and wind conditions and how they play a role in the flight of a sUAS; loading and performance factors; airport and airfield standards, including left traffic patterns, METARS, TAFs, sectional charts, longitude and latitude; crew resource management, including types of attitudes, visual observers, Remote Pic, and the effects of drugs and alcohol; radio communication including 2.4 and 5 GHz, AWOS, ASOS, licensed frequencies, and CTAF; Emergency, Lost-Link, and Flyaway procedures; launch and recovery; and Plan B and C.

- ✓ Perform the procedures for: Vertical takeoff and landing, basic flight maneuvers, recording video, taking still images, autonomous flights, pre-flight and maintenance, equipment replacement, record keeping, pre- and post-flight inspection, and logbook maintenance.
- ✓ Gain the necessary knowledge and skills to test for and earn the FAA certification for sUAS Operator.
- ✓ Understand the Freedom from Drone Surveillance Act.

| • Procedural Justice | 3.0 Hours |
| • Psychology of Domestic Violence | 2.0 Hours |
| • Use of Force (General) | 1.0 Hour |
| • Lead Homicide Investigator | 8.0 Hours |

Course Description:

This 8- hour course will focus on enhancing an officer's report writing skills so that he or she may better submit clear, accurate, concise, and detailed primary case reports. Emphasis will be placed on detailing probable cause for an arrest, better providing investigators with essentials in primary reports so that follow-up may become more efficient and enhancing case building in a way that will aid prosecutorial success. The course will examine some of the top failure points of poorly written reports as seen by shift supervisors, and then provide a blueprint to organization to better build reports for the future. Added emphasis will be placed on the additional care and challenges presented when preparing initial reports for Domestic Violence, Criminal Sexual Assault, and when an officer has had to apply physical force in the field. This course is geared to both newer patrol officer who may be developing report writing experience, as well as those veteran officers who might benefit from enhancing their report writing skills. Learning will be done through both lecture and a practical writing lab. Students are encouraged to bring a laptop computer with Microsoft Word installed.

Topics to be discussed:

- Developing a winning mindset for proper report writing- Why it is THAT important!
- Top areas of report failure and how to correct them before you commit them
- Eliminating the "Cliffhangers" and communicating to your overall audience (cops, courts, lawyers, and social services)
- Implementing a fool-proof "Blueprint" for organizing any report, every time
- Making the link from describing events to establishing why actions were taken
- Strategy for reviewing reports prior to submitting them
- Challenges in preparing a primary Domestic Violence Report
- Challenges in preparing a primary Sexual Assault Report
- Documenting your use of force within your report
