# Building Entry and Control Tactics Combined for 21st Century Policing

Plainfield Police Department  
14300 Coil Plus Dr., Plainfield, IL. 60544  
Thursday & Friday, June 1 & 2, 2023  
8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- De-escalation Techniques 7.75 Hours (7.25 Hours Scenario-Based)
- Officer safety techniques, including cover, concealment, and time 8.25 Hours (7.75 Hours Scenario-Based)
- Specialized: School Resource Officer (SRO) Pre-Qualified
  - Active Threat Response 16.0 Hours (15.5 Hours Scenario-Based)

**Course Description:** This course will be two days in length for a total of 16 hours of training. This program has been designed by Conceptual Guardian Systems Inc. to provide students with concepts related to building entry and control tactics.

This course will cover building entry and control tactics, combined together to show Officers safer ways to clear buildings and how to more effectively deal with compliant and non-compliant subjects encountered during building entry. Officers will learn how to non-compliantly handcuff a subject on the ground without placing a knee on the subjects back, reducing the chance for positional asphyxia. Officers will also learn how to non-compliantly handcuff a subject in a standing position that allows the Officer to quickly move a subject out of a zone of concern. Officers will learn concepts related to building entry that will allow them to safely clear any building on the planet using two easy to learn concepts. Officers will also learn hallway and stairway clearing tactics. This course is related to single Officer/two Officer call for service response and team tactics related to search/arrest warrants and active shooter response.

**PLEASE NOTE:**

**Students must bring duty belt, duty pistol, duty long gun, flashlight or weapon mounted light and body armor.**

**Instructors:** Lead Instructor, Jason Laferriere is the Owner and Founder of CGSI. Jason has spent over 33 years in Law Enforcement and 39 years studying and teaching martial arts. Jason spent 21 years as a Special Agent with Homeland Security Investigations serving as the Assistant Team Leader and Training Coordinator for HSI Chicago's SRT team. He created HIS's SRT control tactics system and undercover escape and evasion program. Prior to HSI, Jason was a Police Officer in Montpelier, Vermont and served in the United States Coast Guard.

# Crisis Intervention Team Training (CIT-B) Basic

Plainfield Fire Protection District Headquarters

23748 W. 135<sup>th</sup> Street; Plainfield, IL. 60544

Monday – Friday; June 5 – 9, 2023

8:00 am till 4:00 pm

**NOTE: Officers are required to have 2 years of service in a non-probationary status before he/she may attend this class.**

This course complies with the guidelines of the following mandate(s):

- Civil Rights 0.5 hours
- Constitutional/Proper Use of LE Authority Use of LE Authority 0.5 hours
- Crisis Intervention 12.0 hours
- Human Rights 7.0 hours
- Legal Updates 2.0 hours
- Officer wellness/mental health 2.0 hours
- Procedural Justice 4.0 hours
- De-escalation Techniques 8.0 hours (4.0 Hours Scenario-Based)
- Officer Safety Techniques 4.0 hours (3.0 Hours Scenario-Based)
- Crisis Intervention Team Training 40 hours

**Purpose:** Law enforcement officers are generally the first responders to crisis events. It is important to have individuals in law enforcement who can utilize effective strategies, insuring public and personal safety. The Crisis Intervention Team (CIT) training provides officers with education about mental illness and other behavioral disabilities as well as providing skills and tools for effectively and safely interacting with someone who is experiencing a crisis.

**Course Description:** Participants of this voluntary, 40-hour training program, receive intensive training on recognizing and addressing individuals in the community who have a mental illness or other behavioral health crisis. The CIT training program is an in depth, specialized course for officers with at least two years' experience. The five-day course includes presentations by behavioral health specialists, experienced field officers and representatives from regional service providers. Officers will receive training in topics such as mental illness/signs and symptoms, co-occurring disorders, child and adolescent issues, medical conditions and psychotropic medications, and law enforcement response and legal issues. They will also learn advanced communication and de-escalation techniques, partake in valuable exercises, have a unique opportunity to participate in discussions with individuals who have a mental illness and or their family members and given an opportunity to exercise their skills in realistic scenario role plays.

(Continued)

The key components of this course cover the following:

- Officers are exposed to the dynamics of mental illness, developmental disabilities, child and adolescent disorders, elderly individuals with behavioral issues, returning combat veterans, people who have excited delirium, and people with substance abuse/co-occurring disorders. This training will allow officers to make quick and effective decisions utilizing options they have to resolve the crisis.
- Officers are exposed to the experiences, viewpoints and concerns of persons with mental illnesses (consumers). Officers will meet with consumers in order to gain their perspective and learn from them.
- Officers receive instruction and demonstrations in basic listening and responding skills along with crisis interventions strategies. Real life crisis scenarios provided by trained professional actors with the assistance of state-certified CIT officers are presented to officers for them to demonstrate their resolution skills.
- **The scenario-based training will take place on Thursday, June 8<sup>th</sup>, attendees will be required to wear their "department uniform of the day" for their current assignment.**

**About the Instructors:** The course will be conducted by a diverse group of law enforcement and behavioral health professionals, including active CIT officers from various parts of the State of Illinois. An essential part of the CIT course is scenario-based skills training with crisis scenarios provided by trained professional actors. All scenarios are facilitated and evaluated by certified CIT officers.
