Small Unmanned Aircraft Systems (Drones) in Law Enforcement

JJC, Weitendorf Agricultural Education Center

17840 W. Laraway Rd., Joliet, IL 60433

Monday-Thursday, August 1-4, 2022

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- Civil Rights 1.0 Hour
- Const. Use of LE Authority 4.0 Hours
- Legal Updates 1.0 Hour
- Procedural Justice 1.0 Hour
- Officer safety techniques 1.0 Hour

Course Description: This training will introduce officers to the use of Small Unmanned Aircraft Systems (sUAS), commonly called “drones”, for both evidence collection and search operations. The course will cover all aspects of UAS operations, including preparations for the mandatory FAA Part 107 licensing. It will include information on the necessary waiver to fly in populated areas and night operation of drones. Hands-on experience with full-sized drones will give officers the confidence and ability to operate in a safe manner. Evidence collections in both photo and video format will be addressed, as well as the legal aspects of how to handle and store this information, as it differs from standard photo/video collection rules.

Finally, the Freedom from Drone Surveillance Act, ILCS 725/167 will be discussed to provide officers and their departments with a clear understanding about operating drones within the confines of the law, including the mandate to inform the State about maintenance and flight operations. Upon completion of this course, attendees will possess the knowledge to successfully take and pass their Part 107 FAA pilot's exam to become a licensed pilot. They will also be able to assist in creating proper departmental policies and procedures for operating drones.

Course Objectives: Identify the following: All state and federal laws pertaining to Small Unmanned Aircraft Systems (sUAS); different types of airspace; weather and weather-related conditions including cloud formations, types of fog, and wind conditions and how they play a role in the flight of a sUAS; loading and performance factors; airport and airfield standards, including left traffic patterns, METARS, TAFs, sectional charts, longitude and latitude; crew resource management, including types of attitudes, visual observers, Remote Pic, and the effects of drugs and alcohol; radio communication including 2.4 and 5 GHz, AWOS, ASOS, licensed frequencies, and CTAF; Emergency, Lost-Link, and Flyaway procedures; launch and recovery; and Plan B and C.

✓ Perform the procedures for: Vertical takeoff and landing, basic flight maneuvers, recording video, taking still images, autonomous flights, pre-flight and maintenance, equipment replacement, record keeping, pre- and post-flight inspection, and logbook maintenance.

✓ Gain the necessary knowledge and skills to test for and earn the FAA certification for sUAS Operator.

✓ Understand the Freedom from Drone Surveillance Act. (CONTINUED)

Instructor: Chris Edwards, Associate Professor at Rend Lake College, the primary instructor for this class, holds an AAS degree in Information Technology from Rend Lake College, a Bachelor's Degree in Information Technology from Southern Illinois University Carbondale, and a Master's Degree in Cybersecurity from Liberty University. BUILDING A BETTER POLICE REPORT

Lockport Police Department

1212 South Farrell Rd., Lockport, IL. 60441

Tuesday; August 23, 2022

8:00 am till 4:00 pm

This course complies with the guidelines of the following mandate(s):

- | | |
|-----------------------------------|-----------|
| • Const. Use of LE Authority | 0.5 Hour |
| • Procedural Justice | 3.0 Hours |
| • Psychology of Domestic Violence | 2.0 Hours |
| • Use of Force (General) | 1.0 Hour |
| • Lead Homicide Investigator | 8.0 Hours |

Course Description:

This 8- hour course will focus on enhancing an officer's report writing skills so that he or she may better submit clear, accurate, concise, and detailed primary case reports. Emphasis will be placed on detailing probable cause for an arrest, better providing investigators with essentials in primary reports so that follow-up may become more efficient and enhancing case building in a way that will aid prosecutorial success. The course will examine some of the top failure points of poorly written reports as seen by shift supervisors, and then provide a blueprint to organization to better build reports for the future. Added emphasis will be placed on the additional care and challenges presented when preparing initial reports for Domestic Violence, Criminal Sexual Assault, and when an officer has had to apply physical force in the field. This course is geared to both newer patrol officer who may be developing report writing experience, as well as those veteran officers who might benefit from enhancing their report writing skills. Learning will be done through both lecture and a practical writing lab. Students are encouraged to bring a laptop computer with Microsoft Word installed.

Topics to be discussed:

- Developing a winning mindset for proper report writing- Why it is THAT important!
- Top areas of report failure and how to correct them before you commit them
- Eliminating the "Cliffhangers" and communicating to your overall audience (cops, courts, lawyers, and social services)
- Implementing a fool-proof "Blueprint" for organizing any report, every time
- Making the link from describing events to establishing why actions were taken
- Strategy for reviewing reports prior to submitting them
- Challenges in preparing a primary Domestic Violence Report
- Challenges in preparing a primary Sexual Assault Report
- Documenting your use of force within your report
